# exclamake! Referral Rewards Program

---

exclamake!'s referral incentive program, exclamake! Referral Rewards, enables our existing customers to earn and accrue multiple monthly service invoice credits. Credits are automatically applied to the Referring Company's monthly service invoice(s) and the Referring Contact also receives individual compensation(s) when the new customers they refer to us become clients.

This program is designed to benefit everyone that participates: the Referring Contact, the Referring Company, the Referred Customer and your referable Support Team at exclamake!

## Your company can earn FREE monthly service credit(s) through exclamake! Referral Rewards

You can earn and accrue multiple credits toward your company's monthly service charges by referring or introducing new client prospects to us that become new contract clients. exclamake! will automatically apply credits to your monthly service account equal to the referred customer's first monthly service invoice.<sup>1</sup>

### Earn FREE service

When you refer or introduce a new customer to us that becomes a new client, we will automatically credit your monthly service invoice for the amount equal to the new customer's first monthly service invoice. You can earn FREE service credits for your company just by referring new customers to us.

### Accrue FREE service

If you refer or introduce a new customer to us that becomes a new client and their first monthly invoice is larger than yours, any overage(s) will be automatically applied to your subsequent monthly service invoice(s). Your referrals can add up to FREE service for you every month.

## Your employees can earn FREE gifts through exclamake! Referral Rewards

Your company can earn multiple service credits and your employees can receive gift cards when they refer new client prospects to us that become exclamake! clients. We have made it easy for your company and employees to benefit from this referral program. Individual client contacts that refer or introduce new customers to us will receive gift cards when they become new contract clients:

- First referral that becomes an exclamake! client: **\$50** American Express gift card
- Second referral that becomes an exclamake! client: **\$100** American Express gift card
- Third and all subsequent referrals that become exclamake! clients: **\$200** American Express gift card

We encourage your company to participate in our exclamake! Referral Rewards program. We hope your team will recommend ours.
